

FACULTY'S BIOGRAPHIES

Dr YAP Sau Hsien
Ng Teng Fong General Hospital
Singapore

I am currently a senior consultant in Anaesthesia and Clinical Lead for Chronic Pain Service at Ng Teng Fong General Hospital. Previously, I held a post as Consultant Anaesthetist and Pain Management in Queen Elizabeth Hospital, King's Lynn, UK for almost 5 years. Within that time in King's Lynn I was also the Educational Supervisor for the advance pain management trainees who rotated to the hospital.

My specialist training was in Anglia School of Anaesthesia, UK which included a year in advanced pain management. Besides that, I have special interest in Chinese Medicine and have obtained Diploma in Chinese Medicine and Acupuncture as well as Chinese Herbal Materia Medica Diploma.
