

Company Profile

Trillion C & S Pte Ltd is a medical device distributor company that will provide high quality technical and clinical support and marketing services to its clients.

We are proudly to represent Diros Technology for their RF (Radiofrequency) for Neurosurgery and Pain Management, and Rev-Med for their PDCT (Percutaneous Disc Coagulation Therapy) for herniated disc.

We are committed and pride ourselves on prompt personalised service. We will continue to strive and improve and expand our product line.
